## **CADASTRAL SURVEYORS LICENSING BOARD OF NEW ZEALAND**

### **Introduction**

This Annual Report represents the period from 1 July 2007 until 30 June 2008.

It is particularly interesting to note that there has been an increase of 20 in number of licences issued to cadastral surveyors over the previous year. While this only represents a growth of approximately 3%, it continues the trend of a growing number of licensed surveyors, which has been observed since the Act was introduced. This goes against the anticipated trend that there would be a downward tracking of the number of licences necessary. The increase since the enactment of the Cadastral Survey Act 2002 is 48, an increase of 6.6% on a steady upward track.

The Board was gratified by the passing of the Cadastral Survey Amendment Act 2008, which came into effect on 26 March of this year. Its principal effect on the Board's jurisdiction is that it allows disciplinary action to be taken against surveyors who previously held licences but no longer hold them, and against formerly Registered Surveyors. This was flagged as an issue in the 2006/07 annual report. It also clarified the Surveyor-General's power to require corrections to be made to cadastral data sets.

The Board has been able to maintain the annual fee at the previously reduced level, though it is now unlikely that further reductions will be possible.

While the Board intended to review its competency standards promulgated in September 2004, it has delayed beginning this process mainly because the Surveyor-General has been undertaking a review of his Rules, involving a considerable public consultation process. It was considered prudent, as there have been no pressing issues with present standards, to wait until the Rules were largely settled before beginning the review. It is now expected that this will begin early in 2009.

### **Jurisdiction**

The Cadastral Surveyors Licensing Board of New Zealand was constituted by section 10 of the Cadastral Survey Act 2002 and is the successor of the Surveyors' Board first constituted under the New Zealand Institute of Surveyors and Board of Examiners Act 1900.

### **Functions**

The functions and duties undertaken by the board are set out in section 11 of the Cadastral Survey Act. (See Appendix A).

The primary function of the board is the licensing of cadastral surveyors competent to conduct cadastral surveys. The board consequently sets standards of education and practical experience required for the licensing of surveyors.

The board also exercises disciplinary powers in cases where a cadastral surveyor is charged with negligence, incompetence, falsification or failure to observe the Surveyor-General's Rules for Cadastral Surveying. The board has the authority to

suspend or cancel the licence of surveyors where any such professional misconduct is proven.

In addition, the board administers reciprocity arrangements with the 8 Australian State and Territory boards.

### **Membership**

Under section 13 of the Act there are 5 board members appointed by the Minister for Land Information. The Surveyor-General is a member ex-officio pursuant to s.13(1)(b). Dr D B Grant was the Surveyor-General for the period of this report.

The appointments to the board are Messrs B D Gawn and M D Sinclair pursuant to s.13(2)(a), as nominees of bodies representing licensed cadastral surveyors. Messrs G D Clark and B J Coutts are appointed pursuant to s.13(2)(b) and pursuant to s.13(2)(c), Ms J N Kirk, being a person who is not and never has been a licensed cadastral surveyor and is not employed in the surveying profession. Ms F H Russell and Mr P M Smidt were appointed by the Minister as substitute members of the board.

These appointments were first notified in the New Zealand Gazette on 5 December 2002. The term of office for Board members is 3 years (Schedule 1(1)) but Board members continue in office until a successor is appointed (Schedule 1(3)). At its first meeting, Mr Coutts was elected Chair of the Board pursuant to s.13(3) of the Act. The members were reappointed to the Board by the Minister for a further three years from 1 September 2006 and Mr Coutts was re-elected to the Chair at the meeting held on 13 October 2006.

### **Meetings**

The Board met 5 times in the 2007/08 year, on 7 September and 23 November in 2007 and 8 February, 11 April and 13 June in 2008.

### **Licenses**

The board licensed 727 surveyors for the year ending 30 June 2008, 20 more than were licensed at 30 June 2007.

### **Discipline**

During the reporting period the board accepted one complaint of professional misconduct against a licensed cadastral surveyor. Following a hearing held on 7 February 2008, the surveyor was found guilty of the professional misconduct and disciplined. At 30 June 2008 the Board had also accepted two complaints that were due to be heard in August.

The board also received 5 submissions from private individuals relating to the conduct of surveys, one of which had not been fully considered by the Board as at 30 June 2008.

### **Licensing Standards**

Following consultation with the surveying profession the board adopted and issued new standards and competencies for the licensing of cadastral surveyors pursuant to s.11(1)(d) on 3 September 2004.

The board continued to recognise the Admissions Interviews conducted by the New Zealand Institute of Surveyors Incorporated as evidence that applicants for new licences met the standards of competencies adopted by the board.

As part of its responsibilities to monitor academic qualifications and practical requirements for the licensing of surveyors, the board maintains contact with the National School of Surveying at the University of Otago, the only university in New Zealand that offers a degree in surveying.

### **Reciprocity**

Full reciprocity between the various New Zealand Surveyors boards and the 8 Australian State and Territory Surveyors' boards has existed since 1901 although a reciprocity agreement with Australian boards had existed from 1892. The board also collaborates with the Australian boards on the assessment of other overseas qualifications as being equivalent to the New Zealand and Australian degrees and setting policies for the education, training and regulation of surveyors. Contact with the Australian boards is maintained directly at board level through the Council of the Reciprocating Surveyors Boards of Australia and New Zealand comprising of the Chairs of each board. Meetings of the Council are generally held once or twice per year.

The Chairman represented the board by attending one meeting of the Council of Reciprocating Boards held in Alice Springs on 23 May 2008. The Surveyor-General also attended this meeting.

### **Legislation**

The conduct of land subdivision and boundary surveys has been governed by published regulations since 1879. The current governance of surveys is by the Surveyor-General's Rules promulgated in June 2002 under section 49 of the Cadastral Survey Act 2002.

### **Administration**

The Board has contracted the Institute of Professional Engineers NZ to provide administrative services, office facilities and meeting rooms. IPENZ maintains a full time office hours, dedicated telephone and facsimile point of contact, and hosts the Board's website.

Mr Rob Munro, solicitor, of Wellington, has been retained as the board's legal advisor and Mr Ian Fargher is the Board Secretary.

### **Finance**

The board is funded by licensing fees gathered annually from licensed cadastral surveyors. The level of those fees is set by the Board under s.11(1)(c) of the Act. The fee for renewal of a license for the 2007/08 year was set at \$136 plus GST (\$153.00), a reduction of \$27 from 2006/07 and a total of \$55 from the four years previous to then.

## **APPENDIX A: FUNCTIONS AND DUTIES**

The functions and duties of the board, as set out in section 11 of the Cadastral Survey Act 2002 are:

- (a) To maintain a register of cadastral surveyors licensed under this Act.
- (b) To receive applications for licences under this Act as cadastral surveyors and to issue licences in proper cases.
- (c) To set fees for the issue and renewal of licences under this Act.
- (d) To issue and update standards that persons applying for licences, or the renewal of licences, under this Act must be met.
- (e) To investigate complaints about cadastral surveyors and take disciplinary action in appropriate cases under this Act.
- (f) To provide statistical information to the Minister about cadastral surveyors as requested by the Minister.
- (g) To perform such other functions or duties conferred on it by this Act or any other enactment.

## **APPENDIX B: AUDIT REPORT**

### **To the Members of the Cadastral Surveyors Licensing Board of NZ**

We have audited the financial report on pages 9 to 14. The financial report provides information about the past financial performance of the Cadastral Surveyors Licensing Board of NZ and its financial position as at 30 June 2008. This information is stated in accordance with the accounting policies set out on pages 12 to 14.

#### **Board's Responsibilities**

The Board is responsible for the preparation of a financial report which fairly reflects the financial position of the Cadastral Surveyors Licensing Board of NZ as at 30 June 2008, and of the results of operations for the year ended on that date.

#### **Auditors' Responsibilities**

It is our responsibility to express to you an independent opinion on the financial report presented by the Board.

#### **Basis of Opinion**

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial report. It also includes assessing:

- the significant estimates and judgements made by the Board in the preparation of the financial report, and
- whether the accounting policies are appropriate to the Cadastral Surveyors Licensing Board of NZ's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with the New Zealand Auditing Standards. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain a reasonable assurance that the financial report is free from material misstatements, whether caused by fraud or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial report.

Other than in our capacity as auditors we have no relationship with or interest in the Cadastral Surveyors Licensing Board of NZ.

#### **Unqualified Opinion**

We have obtained all the information and explanations we required.

In our opinion the financial report on pages 9 to 14 fairly reflects the financial position of the Cadastral Surveyors Licensing Board of NZ as at 30 June 2008 and the results of its operations and cash flows for the year ended on that date.

Our audit was completed on 4 September 2008 and our unqualified opinion is expressed as at that date.

### **Notes to the Financial Statements**

**For the Year Ended 30 June 2008**

#### **1. Statement of Accounting Policies**

##### **Reporting Entity**

The financial statements presented here are for the reporting entity Cadastral Surveyors Licensing Board of New Zealand (CSLB) which commenced operations on 1 June 2002. Section 64 of the Cadastral Survey Act 2002 provided for the disestablishment of the Survey Board of New Zealand and for its assets and liabilities to vest in the CSLB.

##### **Reporting Basis**

The CSLB is required to prepare financial statements pursuant to Section 19 of the Cadastral Survey Act 2002.

##### **Measurement Base**

The measurement base adopted is historical cost.

##### **Specific Accounting Policies**

###### **(i) Differential Reporting**

The CSLB is a qualified entity within the Institute of Chartered Accountants of New Zealand Differential Reporting Framework. The Board qualifies under the size criteria and because it is not publicly accountable. The Board has taken advantage of all differential reporting exemptions available to it except for Financial Reporting Standard 10 Statement of Cash Flows.

###### **(ii) Goods and Services Tax**

The Statement of Financial Position and Performance have been prepared on a GST exclusive basis except for accounts receivable and payable which are GST inclusive.

###### **(iii) Taxation**

No provision is made for income tax as the CSLB is tax exempt under Section CB(3) of the Income Tax Act 1994.

###### **(iv) Changes in Accounting Policies**

There have been no changes in the accounting policies. All policies have been applied on bases consistent with those used in previous years

#### **2. Nature and Activities of the Board**

The Board was established by and operates under the Cadastral Survey Act 2002. This Act requires cadastral surveys to be done by, or under the direction of, a licensed cadastral surveyor, who must meet standards of competence to be licensed and to set standards for cadastral surveys and cadastral survey data. The board are responsible for the licensing of Cadastral Surveyors under this act and for the issuing of Annual Licence Certificates.

### 3. Annual Cadastral Surveyors License Fees

Annual Cadastral Surveyors License Certificates expire on 30 June each year. Applications for renewal each year may be lodged any time after 1 April for the following twelve months period commencing 1 July.

A number of applications for renewal are received and paid for in advance during the period between 1 April and 30 June each year. These license fees received in advance are shown separately on the statement of Financial Position and taken as income in the financial year to which they relate.

### 4. Contingent Liabilities

The CSLB had no contingent liabilities as a balance date. (2007 Nil).

### 5. Commitments

The CSLB had no commitments as a balance date. (2007 Nil).

### 6. Related Party Transactions

During the year the CSLB has had no related party transactions. No related party debts have been written off or forgiven during the year.

### 7. Board Members Fees
